

DEPARTMENT OF JUSTICE

Antitrust Division

**Notice Pursuant to the National Cooperative Research and
Production Act of 1993 -- American Society of Mechanical
Engineers**

Notice is hereby given that, on September 29, 2017, pursuant to Section 6(a) of the National Cooperative Research and Production Act of 1993, 15 U.S.C. § 4301 et seq. ("the Act"), the American Society of Mechanical Engineers ("ASME") has filed written notifications simultaneously with the Attorney General and the Federal Trade Commission disclosing additions or changes to its standards development activities. The notifications were filed for the purpose of extending the Act's provisions limiting the recovery of antitrust plaintiffs to actual damages under specified circumstances. Specifically, since April 6, 2017, ASME has published two new standards, initiated four new standards activities, withdrawn one standard activity, and discontinued one standard activity within the general nature and scope of ASME's standards development activities, as specified in its original notification. More detail regarding these changes can be found at www.asme.org.

On September 15, 2004, ASME filed its original notification pursuant to Section 6(a) of the Act. The Department of Justice

published a notice in the Federal Register pursuant to Section 6(b) of the Act on October 13, 2004 (69 FR 60895).

The last notification was filed with the Department on April 10, 2017. A notice was published in the Federal Register pursuant to Section 6(b) of the Act on May 22, 2017 (82 FR 23297).
